ISSUE BACKGROUND

The appointment of members to the Board's committees or other representatives takes place at the "first meeting" of the Board in the calendar year. "First meeting" is defined in the Board's Procedural By-law as the first meeting of the new Board following its appointment by Council after a municipal election; in other years, the first meeting of the Board in the calendar year.

COMMENTS

The proposed process for Board members is to identify their interest in participating in the internal and external committees outlined below at the January 18th Board meeting. If there are more names than positions available, the Chair and Vice Chair of the Board will be asked to review the names and assign individuals to committees in consultation with Board members.

Where appropriate, Committee membership will remain intact until a particular process has been completed.
