

This map illustrates the distribution of Toronto Public Library branches and designated priority areas in January 2006. The map is color-coded to show different types of service areas and branch types.

- Research & Reference Branch - 8 hours:** Indicated by a blue triangle. One location is shown in the North York area.
- District Branch - 8 hours:** Indicated by a blue square. Numerous locations are marked across the city, including areas like Humberwood, Woodview Park, and various locations in the central and eastern parts of Toronto.
- Neighbourhood Branch - 5 hours:** Indicated by a red circle. These are distributed throughout the city, often in areas not covered by the 8-hour branches.
- Branch - No Sunday Service:** Indicated by a white circle with a red outline. These are also distributed across the city.
- City of Toronto Priority Neighbourhood Area:** Shaded in green. These areas include regions like Humberwood, Woodview Park, and several areas in the north and east.
- Additional TPL Priority Neighbourhood Area:** Shaded in light blue. These areas include regions like the west end (around Humber Bay) and parts of the central and eastern areas.
- City of Toronto Neighbourhood Boundary:** Indicated by a thin purple line.

The map shows a high density of branches in the central and eastern parts of the city, with fewer branches in the western and northern parts. The priority areas are concentrated in the western and northern parts of the city, as well as in the central and eastern areas.
