*Greetings from the Honourable Minister
of Tourism, Culture and Sport*

On behalf of the Government of Ontario, I am delighted to extend greetings to everyone attending the opening celebration of the Toronto Public Library's 100th location – the Scarborough Civic Centre Branch.

Public libraries are hubs of community life, and nowhere is it more evident than at this new branch with its beautiful architectural profile, digital innovation hub and modern public plaza with a reading garden. This is a place to experience Ontario's rich literary culture, connect with neighbours and friends and engage in many facets of community life.

Thank you to everyone involved in the success of this project and to the library staff for your dedication and commitment to delivering important services that are so helpful to the people of your community.

We can all be proud of your effort and dedication to making Ontario's public libraries among the best in the world.

Please accept my best wishes for the library's opening celebration.

Sincerely,
