Dear Councillor Ainslie:

Thank you very much for your letter on behalf of the Toronto Public Library regarding literacy and the library's publication, *Let's Get Ready for Reading*. I appreciate your keeping me apprised of the library's activities.

A fair society is one that helps ensure that all children and youth have access to high-quality education to learn, grow and contribute to their community. Our government will continue working to ensure that young people are equipped with the appropriate tools, so that they are able to pursue the paths of their choosing and are prepared for the challenges ahead.

As your correspondence would also interest my colleagues the Honourable Liz Sandals, Minister of Education, and the Honourable Michael Chan, Minister of Tourism, Culture and Sport, I have sent copies to them for their information.

Once again, thank you for writing. Please accept my best wishes.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Wynne".

Kathleen Wynne
Premier
