Dear Gillian Mason

I should like to inform you, as a Senior Citizen, how pleased I have been attending the following two courses at Cedarbrae Library:

- (1) Mouse and Key board
- (2) Web for Beginners.

I have to pay special mention of Loraine, the instructor, She was extremely patient with the seniors in the class, and was able to instill a modicum of self-confidence to the seniors, that they could be successful,

My objective was to be able to use the computer to read U.K newspapers and after the courses, I am now able to accomplish that unaided I just wanted to know that I am deriving a great amount of pleasure with the computer.

The courses from my perspective are doing a good job!

Yours truly
