Dear Mr. Foderick and Ms. Pyper:

Thank you for your letter of February 3, 2014, providing a copy of *So Much More: The Economic Impact of the Toronto Public Library System on the City of Toronto*.

Please accept my appreciation to the Toronto Public Library Board for sharing this publication, the results of which show the immeasurable impact public libraries have on making our communities both socially and economically stronger.

The Chair of the Vaughan Public Library Board, Michael McKenzie, has also expressed his interest in the results of the study, and welcomes the opportunity to view the publication, which will be shared at the next meeting of our Board.

Thank you for your leadership in the Canadian public library scene.

Sincerely,

Margie Singleton
