Dear Board Members,

I have recently learned that the Library Board will be considering a staff proposal for a small increase of .3% to its budget and that the Ford administration has proposed a 0% increase! This is shocking news considering what happened last year. Public opposition to TPL budget cuts was overwhelming. I urge you to disregard the Ford staff proposal and instead vote for the increase. It is the right thing to do.

Thank you for your attention to this urgent matter.

Sincerely,

Diane Shears
