Dear Ms. Mason

On behalf of TD Canada Trust, I would like to congratulate the Toronto Public Library on winning the Civil Livability Award from the Canadian Urban Institute.

It is wonderful to see the innovative and unique efforts of the Toronto Public Library honoured. At TD Canada Trust, we truly value our relationship with the Toronto Public Library in helping to bring learning and literacy to the people of Toronto.

It is no small feat for an organization to touch so many different parts of a city, reaching out to provide safe public spaces and services for people of all ages and backgrounds that enhance the quality of urban life. The Toronto Public Library has gone far beyond its mandate through its progressive programs, positively affecting lives in a wide variety of areas. The leadership and enthusiasm shown by the library truly makes this city a vibrant and connected civil community.

Congratulations again on your well-deserved award. It is a pleasure to work with you and an honour to support your innovative programs.

Sincerely,

Andrea Rosen
