Dear Gillian;

Thank you for your very positive letter of July 14, 2003, and to Ann Bailey for her encouragement.

I would also appreciate it if you would please pass this on to your Board so they can read of the faith and hope they've given our small community - Ron Dyck has been helpful to us over the years and it was a privilege to acknowledge that publicly.

We all look forward with great anticipation to cutting the piece of ribbon that Mayor Simlaia and I used to open Northern Elms eleven years ago -

On a more personal note, I really appreciated your great job of chairing that meeting. You make it an art form!

Thanks again
