Everyone has a library story

“My grandmother used to volunteer to read books to children at the library, and it was one of my favourite pastimes - going to see her read. I was so proud to watch all the other kids fall in love with books and reading because of my grandmother.”

- Jessica, TPL Donor

Our Core Purpose and Aspiration

The Toronto Public Library Foundation is a fundraising organization that enhances the Toronto Public Library's aspiration to be the world's leading library, making us all...

- ✓ **more resilient**
- ✓ **more knowledgeable**
- ✓ **more connected**
- ✓ **more successful**

TPL Foundation's Role and Strategic Priorities

Innovate: we inspire donors to invest in early-stage initiatives with great potential to shape the library's impact.

Accelerate: we champion signature programs and spaces that have the potential to enhance TPL's leadership role in the sector and that amplify TPL's impact throughout our city.

Advocate: we promote the value of TPL and libraries locally, nationally, and internationally, demonstrating the lasting importance of libraries as cornerstones of democracy, civic life, and intellectual freedom.
