**Subject:** RE: Letter of Support - Toronto Public Library

Our sincere appreciation to Toronto Public library Board and its Chair, Councillor Paul Ainslie, for this letter of support. As I mentioned to you both when we met, your letter, along with others we are receiving from public library systems, large and small, rural and first nations, will be used in our advocacy with governments to provide funding for this important initiative to support the delivery of equitable library service for Canadians with print disabilities.

With kind regards,  
Margaret
