**Re: Correction to January 2012 minutes**

To the TPL Board:

**The minutes for the 27 January 2012 meeting** are incorrect. Item 12-009(1)(d), p. 4., states “The Board did not grant Joe Clark’s request to address the Board at the February 27 meeting.” That isn’t what happened. There was no motion to do *anything*. Procedurally, the Board did nothing. One of the things it didn’t do was *not grant* my request. The Board did not take an affirmative action to deny my request.

**The minutes must be revised** as follows: “No Member raised a motion to consider Joe Clark’s request.” Because that’s what happened.
