**Subject:** Request to make deputations on May 28's TPL Board meeting

Nancy Marshall,

As I requested on the phone, I want to make some deputations on current items on the agendas.

10. Translation and Accessibility Tools  
12. Fairview Branch - Closure and Alternate Service Plan  
13. Arts Exhibits Program Fees

I mentioned on the phone about 10 & 12. I just discovered 13 which I want to add to the list.

Name: Miroslav Glavic  
Address: This is my work mailing address -

P.O. Box 46530  
Toronto Ontario

I do live in Toronto, I just don't want my home address to be on public records. I don't want someone to be able to look at public records see my home address and then knock on my door. I made deputations at City Hall and they are fine with my work mailing address.

You also requested a telephone number: 1 (647) 400-9550. This is my cell number since it could take 3 weeks for me to return a message from my home number/voicemail.

If you require anything else then feel free to e-mail me. My local & favourite branch is Cedarbrae.
