

### **About Sophia Lucyk**

Ms. Lucyk was a life-long library user and a generous donor to the Foundation, through gifts of both cash and insurance, and most recently, through a bequest. Ms. Lucyk passed away in 2006; disposition of her estate has only recently been finalized.

Ms. Lucyk spent twenty years in family and active community involvement, then returned to university for a graduate degree and embarked on a 23-year career in medical social work. She was past president and long-time member of the Canadian Federation of University Women (Etobicoke), and was active in other organizations. An avid traveler, she visited and explored many lands. She frequented the Richview and Brentwood library branches.

Ms. Lucyk's bequest is the most significant cash gift received from an individual in the history of the Library and Foundation.
