The Toronto Public Library asserts that "a group of librarians from across TPL evaluated the titles and made recommendations. This review process is part of an established rigorous and transparent process that the Library undertakes to evaluate materials in our collection "

These Librarians found thru their "Rigorous Process" that Dr Seuss Books are so dangerous that they must be Censored / Banned /Hidden away in the stacks , now & forever forbidden to be Read by the Public. These Librarians are not qualified to make such a determination .

The Men whose Names are listed above believed in Freedom & Liberty & were willing to hazard their very lives to ensure that Future Generations of Canadians could be Free. The Freedom to Think whatever they wanted to Think/to say whatever they wanted to say /to Write whatever they wanted to write /to Read whatever BOOKS they wanted to Read. That determination on their part to Fight/Bleed & if necessary Die bestows upon them the Ultimate Moral Authority in all matters pertaining to issues such as this. These Men believed unreservedly in FREEDOM, the Toronto Public Library's Bureaucracy has no such competency in making such a determination .

The TPL's "Rigorous Process" has failed to take note that Adolph Hitler's book "Mein Kampf" & Karl Marx's book "The Communist Manifesto " are currently available as E-books & even Audio Books in the system . The readership of these respective Books went on to MURDER 200 Million Human Beings. Yet it is "Dr Seuss" and his message of universal Love & Acceptance that has earned the TPL's Bureaucracies approbation . Dr Seuss never inspired anyone to commit Mass Murder & Genocide yet he & his works have been determined to "Dangerous".

I call upon the Toronto Public Library Board to utterly reject the Bureaucracy's attempt to Diminish those Freedoms won for us on the field of battle by Men {and they were Men indeed} "who gave the last full measure of devotion to the that noble cause"

With Respect
Anthony Nolan
