TORONTO PUBLIC LIBRARY
City Librarian's Office

JAN 09 2006

RECEIVED

To whom it may concern: It will be a fitting tribute to Dr Rita Cox to have the Caribbean collection named for her. Indeed, honoring her in this way will ensure that everyone who enjoys this collection now and in the future will appreciate the years of dedication that went into the building of such a collection. As well, I can think of no greater tribute to this librarian extraordinare than to have a book collection named for her.

Sincerely
Raynier Maharaj,
