Branch Development Strategy

100 Branch Infrastructure

Strategic Objectives

1. Budget submission that is fiscally responsible
2. Transform branches for 21st century library service
3. Focus on addressing state of good repair for branches
4. Address City growth intensification areas
5. Maximize alternative (non-debt) funding sources
6. Minimize the operating impact of the capital program

1. Fiscally Responsible

- Consistent level of annual debt funding
- Address highest priority items on SOGR backlog
- Continue above average spending rates
- Request above City debt target

2. Transform branches for 21st century library services

- Meet online resource and service demands
- Expansion of self-service options to remove barriers
- Increase access as part of Poverty Reduction strategy
- Accessible library service where, when and how the customers require it; on any device
- Provide access to current and emerging technology
- Leverage smart design, cloud, analytics and open data

3. Focus on addressing state of good repair for branches

- Branch renovations projects with significant SOGR backlogs within debt target:

North York Central (Phase 1)

Weston

Albert Campbell

Albion

Parliament Street

High Park

Northern District

Sanderson

Brookbanks

Wychwood

Multi-Branch

3. Focus on addressing state of good repair for branches (con't)

- Additional funding request beyond debt target addresses SOGR backlog at:

North York Central (Phase 2)

Downsview

Richview

Lillian H Smith

Parkdale

Yorkville

Multi-branch

4. Address City growth intensification areas

- Relocation and expansion of branches in new and growing communities
 - Bayview-Bessarion Branch
 - St. Lawrence Branch
 - Lillian H Smith Branch (beyond debt target)

5. Maximize alternative (non-debt) funding sources

2017-2026 Capital Funding Sources	Amount (\$'000s)	%
Debt	\$212,120	69%
Development Charges	\$69,003	22%
Contribution from Operating	\$13,780	4%
Section 37/42/45 funding	\$9,375	3%
City Reserves	\$1,930	1%
Other external funding	\$723	0.2%
Total Capital Budget	\$306,931	100%

6. Minimize the operating impact of the capital program

Building renovation and relocations are designed and planned to limit increases to the operating budget through:

- Efficiency improvements
- Expanding branches – avoids adding more branches
- Reduced leasing costs
