Chair and Board Members
Toronto Public Library Board
789 Yonge Street
Toronto, ON M4W 2G8

Dear Chair and Board Members,

As part of the City of Toronto's commitment to open and transparent government, key policies and procedures should be in writing and made available to the public.

To further that, City agencies, boards and commissions, including the Toronto Public Library Board, should endeavour to put their policies and procedures in writing and avail themselves of existing similar policies and procedures established by the City as models.

Recommendations:

Moved by: Councillor Mary Fragedakis
Seconded by: Councillor Sarah Doucette

That:

(i) the Board request the City Librarian to report to the Board on the development of a written protocol to address:

- (a) the role, if any, of Board members during labour negotiations with the Library's bargaining units; and
- (b) an approach to communications with, and updates to, Board members during such negotiations; and

(ii) in the preparation of her report, the City Librarian consider any protocol established by the City of Toronto that addresses the matters identified in (i), above.

Thank you for your consideration.

Sincerely,

Mary Fragedakis
