In order to enable Departments, Agencies, Boards and Commissions to carry out their normal operations during the first part of the year, it is necessary for Council to approve interim operating budget estimates. Appendix 1 details the interim estimates by Program with the 2002 gross consolidated budget included for comparative purposes. Expenditures made during the period January 1 to March 31, or until Council approves the 2003 Operating Budget, by Departments, Agencies, Boards and Commissions, must be restricted to normal operating expenditures.

The recommended interim appropriation of \$2,083,178,400.00 is based on 30 percent of the 2002 approved gross budget for the City (40 percent of Transportation Services). The details of the interim operating budget estimates are contained in Appendix 1.
