

Red Barn Theatre Collection
(1962, 1963)
Inventory

Material relating to the Red Barn Theatre and their seasons at Jackson's Point/Orillia the summer of 1962, and at the Central Library Theatre, Toronto the season of 1962/1963. The files are divided by season, and arranged in the filing order devised by the company. Included are financial records, some correspondence with actors and directors, and documentation of the many details involved in running a theatrical company. The code at the end of the contents description of each file is the filing code assigned by the theatre.

1 box: 48 Files; .45 linear metres

File #1: Filing Index

Describes the filing codes assigned by the company to the original files. The file folders themselves have been replaced with acid free folders.
