The following message is from Ron Carinci, Chair, Toronto Public Library Board:

Thank you for your email with respect to collective bargaining at Toronto Public Library and for taking the time to voice your concerns. I have made note of all your comments.

I have the utmost respect for our library workers and greatly value the dedication they put into their work. My hope is that these negotiations will result in a fair deal for the union, for the workers and for the taxpayers of Toronto.

Again, thank you for providing your feedback and for your support of Toronto Public Library.

Sincerely,  
Ron Carinci
