2025 Fundraising Update

Date: February 23, 2026

To: Toronto Public Library Board

From: City Librarian

SUMMARY

The purpose of this report is to provide an update on major gift fundraising and sponsorships secured by the Toronto Public Library Foundation (TPL Foundation) in 2025, and how they align with the Toronto Public Library Board (TPL Board) approved fundraising priorities. Some amounts reported as 2025 fundraising represent multi-year gifts, which are recorded in the year they are secured.

Using the TPL Board's February 2025 approval of Toronto Public Library's (TPL's) fundraising priorities for 2025-2029 as guidance, 2025 fundraising initiatives for major gifts over \$25,000 were developed to support the fundraising efforts of the TPL Foundation.

Some sponsorship funding was received in 2025 although the majority of 2025 donor giving continued to be philanthropic donations. In keeping with TPL's Sponsorship Policy reporting expectations, two sponsorships over \$500,000 were received in 2025: the sponsorship and naming of the Summer Reading Club and the sponsorship of TPL's AI Upskilling initiative. Both were approved by the Board

in 2025. All other 2025 sponsorships are highlighted in this report and were valued under \$500,000 and approved by the City Librarian, in accordance with the Sponsorship Policy.

Information about annual allocations to TPL from endowments held by the TPL Foundation and information on fundraising amounts below the major gift threshold are not included in this report.

FINANCIAL IMPACT

The TPL Foundation's contributions to TPL's programs and services supplements TPL's approved capital and operating budgets.

The Director, Finance, & Chief Financial Officer has reviewed this financial impact statement and agrees with it.

ALIGNMENT WITH STRATEGIC PLAN

The 2025-2029 strategic plan outlines four strategic priorities where TPL is to focus and invest over the five years of the strategic plan: Social connection, civic engagement and democracy; Shared community spaces; Learning and growth; and Awareness and availability. TPL has also made a commitment to focus on equity in everything we do - to understand and break down barriers to access and increase inclusion. The 2025-2029 fundraising priorities and the 2025 major gift fundraising initiatives are directly aligned with these strategic plan priorities and goals.

EQUITY IMPACT STATEMENT

The 2025-2029 fundraising priorities were developed to help TPL meet its strategic plan goals to focus on equity. All 2025 fundraising opportunities were considered with the application of an equity lens that ensures the ongoing review of increasing access and removal of barriers for equity-deserving groups across the city.

ISSUE BACKGROUND

The Letter of Understanding between the TPL Board and the TPL Foundation Board outlines the requirement that the strategic plan fundraising priority areas be approved by the Board of TPL and the Board of the TPL Foundation in accordance with TPL's strategic plan. In addition, TPL and TPL Foundation Senior Leadership Teams are to consult not less than once a year with the objective of setting annual fundraising priorities which are consistent with and in accordance with TPL's strategic plan.

The 2025-2029 fundraising priorities were developed by TPL in consultation with the TPL Foundation in accordance with the Letter of Understanding. The 2025 major gift fundraising initiatives were also developed in consultation with the TPL Foundation and presented to the TPL Foundation Board for information.

COMMENTS

The 2025 major gift fundraising initiatives were developed to support the TPL Foundation's fundraising efforts. Some initiatives carried over from 2024 and the TPL Foundation already had donor proposals in or ready for market. Other initiative proposals were developed throughout 2025. If new initiatives are developed throughout the fundraising year, they are brought to the TPL Board for information or approval, where required.

TPL Foundation’s fundraising efforts are guided by a gift designation and fundraising framework, which was endorsed by the TPL Board in 2017. The gift designation and fundraising framework helps the TPL Foundation attract:

- major gifts of over \$25,000 that can transform library service, including naming opportunity incentives; and
- smaller gifts under \$25,000, designated to an annual fund that helps to establish new and sustain existing programs.

The 2025 major gift fundraising initiatives, by Strategic Priority, are listed below. Major gift fundraising towards fundraising priority initiatives achieved in 2025 are also included. Some amounts reported as 2025 fundraising represent multi-year gifts, which are recorded in the year they are secured.

Some sponsorship funding was received in 2025 although the majority of 2025 donor giving continued to be philanthropic donations. Two sponsorships over \$500,000 were received in 2025: the sponsorship and naming of the Summer Reading Club and the sponsorship of TPL’s AI Upskilling initiative. Both were approved by the Board in 2025. All other 2025 sponsorships are highlighted in this report. All were valued under \$500,000 and approved by the City Librarian, in accordance with the Sponsorship Policy.

Information about annual allocations to TPL from endowments held by the TPL Foundation and information on fundraising amounts below the major gift threshold are not included in this report.
