2023 Fundraising Initiatives and 2022 Fundraising Update

Date: February 27, 2023
To: Toronto Public Library Board
From: City Librarian

SUMMARY

The purpose of this report is to update the Library Board (Board) on Toronto Public Library's (TPL) major gift fundraising initiatives for 2023 and provide an update on 2022 major gift fundraising and sponsorships.

Using the Board's October 2020 approval of TPL's fundraising priorities for 2020-2024 as guidance, 2023 fundraising initiatives for major gifts over \$25,000 were developed to support TPL Foundation (TPLF) fundraising efforts. Some initiatives carry over from 2022 and the TPLF already has donor proposals in or ready for market. Other proposals are in development. If new fundraising initiatives are developed throughout the year, they will be brought to the Board for information or approval, where required.

Information on major gift fundraising towards fundraising initiatives achieved in 2022 is provided. Some sponsorship funding was received in 2022 although the majority of

donor giving continued to be philanthropic donations. In keeping with TPL's Sponsorship Policy reporting expectations, one sponsorship over \$500,000 was received, the [Sponsorship and Naming of the Summer Reading Club](#), and was approved by the Board in October 2022. All other 2022 sponsorships are highlighted in this report. All were valued under \$500,000 and approved by the City Librarian, in accordance with the Sponsorship Policy.

The 2023 major gift fundraising initiatives provide a broad range of funding levels and program support options across TPL's strategic priorities for potential donors and TPLF to attract major gifts and sustained giving.

FINANCIAL IMPACT

TPLF's contribution to the TPL's programs and services supplements TPL's approved capital and operating budgets.

The Director, Finance & Treasurer has reviewed this financial impact statement and agrees with it.

ALIGNMENT WITH STRATEGIC PLAN

The 2020-2024 strategic plan outlines five strategic priorities where TPL will focus and invest over the five years of the strategic plan: public space; digital inclusion & literacy; workforce development; a democratic society; and public service excellence. TPL is also making a commitment to focus on equity in everything we do – to understand and break down barriers to access and increase inclusion. The 2020-2024 fundraising priorities and the 2023 major gift fundraising initiatives are directly aligned with these strategic plan priorities and goals.

EQUITY IMPACT STATEMENT

The 2020-2024 fundraising priorities have been developed to help TPL meet its strategic plan goals to focus on equity. All new fundraising opportunities will be considered with the application of an equity lens that ensures on-going review of increasing access and removal of barriers for equity deserving groups across the city.

ISSUE BACKGROUND

The Letter of Understanding between the TPL Board and the TPLF Board sets out responsibilities for fundraising:

- *The Library is responsible for setting identified funding priorities. The Library will work closely with the Foundation to determine appropriate fundraising goals and priorities for the enhancement of the Library; and*
- *The Foundation agrees to seek funding on behalf of the Library toward identified Library funding priorities.*

The 2020-2024 fundraising priorities were developed by TPL in consultation with TPLF in accordance with the Letter of Understanding. The 2023 major gift fundraising initiatives were also developed in consultation with TPLF and will be presented to the TPLF Board for information.

COMMENTS

The 2023 major gift fundraising initiatives have been developed to support the TPLF’s fundraising efforts. Some initiatives carry over from 2022 and TPLF already has donor proposals in or ready for market. Other initiative proposals are in development. If new initiatives are developed throughout the year, they will be brought to the Board for information, or approval, where required.

TPLF’s fundraising efforts are guided by a gift designation and fundraising framework, which was endorsed by the Library Board in 2017. The gift designation and fundraising framework helps TPLF attract:

- major gifts of over \$25,000 that can transform library service, including naming opportunity incentives; and
- smaller gifts under \$25,000, designated to an annual fund that helps to establish new and sustain existing programs.

The 2023 major gift fundraising initiatives, by Strategic Priority, are listed below. Major gift fundraising towards fundraising priority initiatives achieved in 2022 is also included. Some sponsorship funding towards major gifts was received in 2022 and is noted.
